Forecast For East of England
Issued by Met Office Exeter
at 1600 on Thursday 29 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Chilly, with overnight frost in places. Sunshine and showers Friday.

This Evening and Tonight:
Isolated showers should become fewer and further between during the evening, perhaps eventually leaving the south dry by the early hours. Clear spells developing widely, so becoming chilly as a result for many, with frost in rural areas. Minimum temperature -3 deg C (27 deg F).

Friday:
Another day of sunshine and showers, the showers locally heavy and prolonged in the afternoon given the light wind. Maximum temperature 13 deg C (55 deg F).

Outlook for Saturday to Monday:
Staying similar into the weekend: sunshine and showers by day, but remaining rather cool with overnight frost in places. Monday perhaps starting fine, but becoming wet and windy later.
